**FOR IMMEDIATE RELEASE**

## **Steel Manufacturer Joins Team Red, White & Blue to Support Veterans at Competitive Event**

*NCI Building Systems sponsors 5<sup>th</sup> Annual Warrior Sporting Clays Tournament; Focuses on Military Families*

**HOUSTON (September 24, 2013)** – Houston-based [NCI Building Systems](#) will serve as the Medal of Honor sponsor for ConocoPhillips' 5<sup>th</sup> Annual Warrior Sporting Clays Tournament, taking place Saturday, September 28th at the American Shooting Center in Houston, TX. The event raises money for [Team Red, White and Blue](#), a nonprofit organization whose mission is to enrich the lives of U.S. veterans by connecting them to their community through physical and social activity.

NCI's contribution comprises of volunteer time, help with fundraising efforts for Team Red, White and Blue, and sponsoring five veterans to join NCI employee teams at the clay shoot on September 28th. This is a meaningful opportunity for the employees and their customers to spend time with veterans and express gratitude for their service. 2013 will be NCI's third time to sponsor the event, and this year they offer more than 50 volunteers to be helping hands on the day of the shoot.

"NCI leadership has long been passionate supporters of the armed forces, and we have enthusiastically participated in similar opportunities, in recent years, to sponsor military-focused fundraising events as a company," said Delvin Warner, president of corporate accounts at NCI Building Systems. "We encourage our employees to get involved in events like this along with their colleagues and families, and we're excited to join ConocoPhillips and Team Red, White and Blue in their mission to honor and support our military and their loved ones."

The event's 2013 fundraising goal is \$200,000. The funds collected at the tournament will be used to fund Team Red, White and Blue's [Veterans Triathlon Camp](#) in Spring 2014. Programs like these give veterans a unique opportunity to learn a new sport or activity that they can take home to their local chapter, and are built to inspire participants to commit to their own health and fitness.

Support of the Warrior Sporting Clays Tournament is part of an overall effort by NCI to focus on helping members of the armed forces and their families. NCI was also a presenting sponsor for the SEAL Legacy Foundation Golf Classic Tournament earlier this year, which raised more than \$600,000 for the organization. The SEAL Legacy Foundation's mission is to support the U.S Navy SEAL community by raising funds for scholarships and financial needs of SEALs and their families.
